“Why look far afield when all that is good is close by?”

Our kitchen crew's 0-kilometer menu combines the best ingredients from Kartause Ittingen's farming estate. The delicious creations are made with products from our cheese dairy, butcher shop, fish farm, market garden, wine cellar, orchard, granary and from our hop gardens.

The 0-kilometer menu is our contribution to supporting local produce and reducing CO₂. We are proud that we are able to cook with so many products from our own farming estate. Not only it is top quality, but it could not be any fresher!

The products we use in Kartause Ittingen's kitchen are 95% **Swiss**. For ingredients our farming estate cannot produce we cooperate with selected local (**5- or 10-kilometer menu**) or regional producers and suppliers. The pork, veal and beef is from our farming estate or nearby farms. The lamb comes either from the estate or New Zealand.

For our chicken dishes we use Culinarium-certified Swiss poultry only.

We support the principles of Culinarium association and cook whenever possible with regional products.

If you have any questions about ingredients in our dishes in connection with allergies or intolerances, please ask our service team.
