0 Kilometre Philosophy – 100% Taste.

In a 0-kilometre menu, our kitchen team combines the best ingredients from our cheese dairy, butchery, nursery, wine cellar, orchards, granary and bakery. We are proud to be able to use so many products from our own estate in the Ittingen kitchen. Our products are of the highest quality and could not be fresher. For products that our farm cannot supply, we use 95% Swiss products – whenever possible selected local products from local and regional producers. All meat comes from our own estate farm or from other farms nearby. We are currently in the process of converting to free-range pig farming. Until we are ready, we temporarily obtain our pigs from Herdern Castle and process them in our own butchery.
